2020 Swim Team Programs

STROKE CLINIC
April 14, 15, 16, 21, 22, 23
$100 resident/$125 nonresident
This program is the perfect warm-up for the summer swim team season. Swimmers can train for endurance and do stroke work prior to the beginning of competition. This is not a learn-to-swim program. All swimmers must be able to swim the length of the pool unassisted. The water may be cold in April. Children who are sensitive to the cold may want to wear a wetsuit.
Session 1: 5:30-6:30 p.m. • 192090 01
Session 2: 6:30-7:30 p.m. • 192090 02

MINI GATORS INSTRUCTIONAL PROGRAM • 4-12 YRS
$90 resident/$115 nonresident
If your child can swim, but cannot swim 25 yards (the length of Ebster Pool), they aren’t quite ready for the Decatur Gators swim team but may be just perfect for the Mini Gators program. The program focuses on stroke training to get your young swimmer comfortable with swimming the length of the pool. Successful Mini Gators may even be able to compete in one of the final swim meets. Enroll early because both sessions fill up every year. Each session is limited to 40 swimmers.
Monday and Wednesday Sessions
April 27-May 13
Session I: 4:30-5:10 p.m. • 192090 05

Fall League • 192090-10
$150 resident/$175 nonresident
Each child must be able to swim 25 meters of either freestyle or backstroke. Children who cannot swim 25 meters should be enrolled in Mini Gators, an instructional league offering. The goal of the Mini Gators program is to teach strokes and proper swimming technique, so that members can graduate to the Gators Swim Team before the end of the season.

Mini Gators enrollment has a strict limit of 40. If you are unsure whether your child can swim 25 meters, then they should be enrolled in the Mini Gators program. We cannot downgrade children from the Gators Swim Team to the Mini Gators once the roster is full. A swim test will be available prior to registration. You may also contact Beth Costello, decaturgators@gmail.com, to request a swim test.

AFTERSCHOOL NEWS

Five Programs Receive Expedited Re-Accreditation

In November 2019, three Animal Crackers program sites (Glennwood, Westchester and Winnona Park) as well as Fifth Avenue Whiz Kids and Project REAL at Renfroe completed the re-accreditation process with COA. All five programs received expedited accreditation. This means that the COA visitors gave all five programs the highest ratings and recommended them for immediate approval. This is an accomplishment for each of these programs and for the City’s Children and Youth Services Division. If you see Animal Crackers, Whiz Kids or Project R.E.A.L. staff members around town, congratulate them on achieving this national recognition. For more information about COA or afterschool accreditation visit coanet.org.
