## Revenue Summary

Revenue sources for the general fund are taxes (real, franchise, and other), licenses and permits, fines and forfeitures, and fees for goods and services. The breakdown of revenues by source at this point in the fiscal year is the same for the largest sources of revenue up through the fourth quarter of the prior fiscal year. However, recreation fees compose a larger share of the revenues this fiscal year than permit revenues; a reversal from last year.

## Expenditure Summary

Expenditures in the general fund include police, fire protection, public works, active living, administrative services, community and economic development and city management. Year-to-date expenditures as of June 30 were $\$ 26,369,466$ or $88 \%$ of the originally budgeted amount (excluding and transfers). Payroll expenditures are distributed in relation to each department's employees.

The allocation of expenditures is similar to the prior year except Public Works makes up a smaller share of the total and Active Living a larger portion than it did during the prior fiscal year.

Spending rates by departments have varied through the end of the fourth quarter anywhere from 67 to 106 percent. This is a slightly narrower range than the year before which spanned from 57 to 111 percent of originally budgeted amounts. Moreover, aggregate actual-to-budgeted expenditure amounts are comparable year over year. The City has spent 88 percent of its budget in FY22 by the end of the fourth quarter compared to 86 percent at the same time last year and 87 percent the year before that.

Revenues were higher in the fourth quarter compared to the same quarter last year, expenditures are higher year over year, and revenues exceed expenditures. Revenues and expenditures for fiscal year 2021-2022 will continued to be recognized and recorded in the coming weeks and months.

## Fund Spotlight: Conference Center \& Parking Deck Fund

The City owns a 25,000 square foot conference center and a 280 -vehicle, three-level parking deck (adjoining a privately-owned 179 -room hotel). The Conference Center \& Parking Deck Fund is an enterprise fund established to account for financial activity at those facilities.

Of every eight cents received in hotel/motel tax remittances, one and one-half cents ( 18.75 percent) is required to go towards "Tourism Products Development" (TPD) which is specifically defined in O.C.G.A. § 48-13-50.2 and includes capital and operating costs for meeting and convention facilities. At this time, the TPD funds are dedicated to the capital maintenance costs of the conference center. This is the only public financial obligation for operation, maintenance and capital improvements for the conference center.

The City maintains a long-term lease with the Decatur Downtown Development Authority (DDDA) for operation and management of the conference center and parking deck. The DDDA has sub-leased management and operation of the conference center, including capital renovations and upgrades.
