

**Clairemont/Commerce/Church Street Improvements
Comment Form
September 26, 2011**

1 In thinking of Clairemont Avenue and Church Street as a gateway to the City, what design features are important to you (i.e. landscaping, lighting, signage, greenspace, etc)?

2 In thinking of Clairemont Avenue and Church Street as a gateway to the City, what types of land use and development do you feel are appropriate?

3 What is your impression of roundabouts? Do you think a roundabout is appropriate at the intersection of Church Street and Lucerne Street?

4 Are there other locations where a roundabout should be considered? If so, where?

5 What must the improvements along Church Street accomplish for this project to be a success?

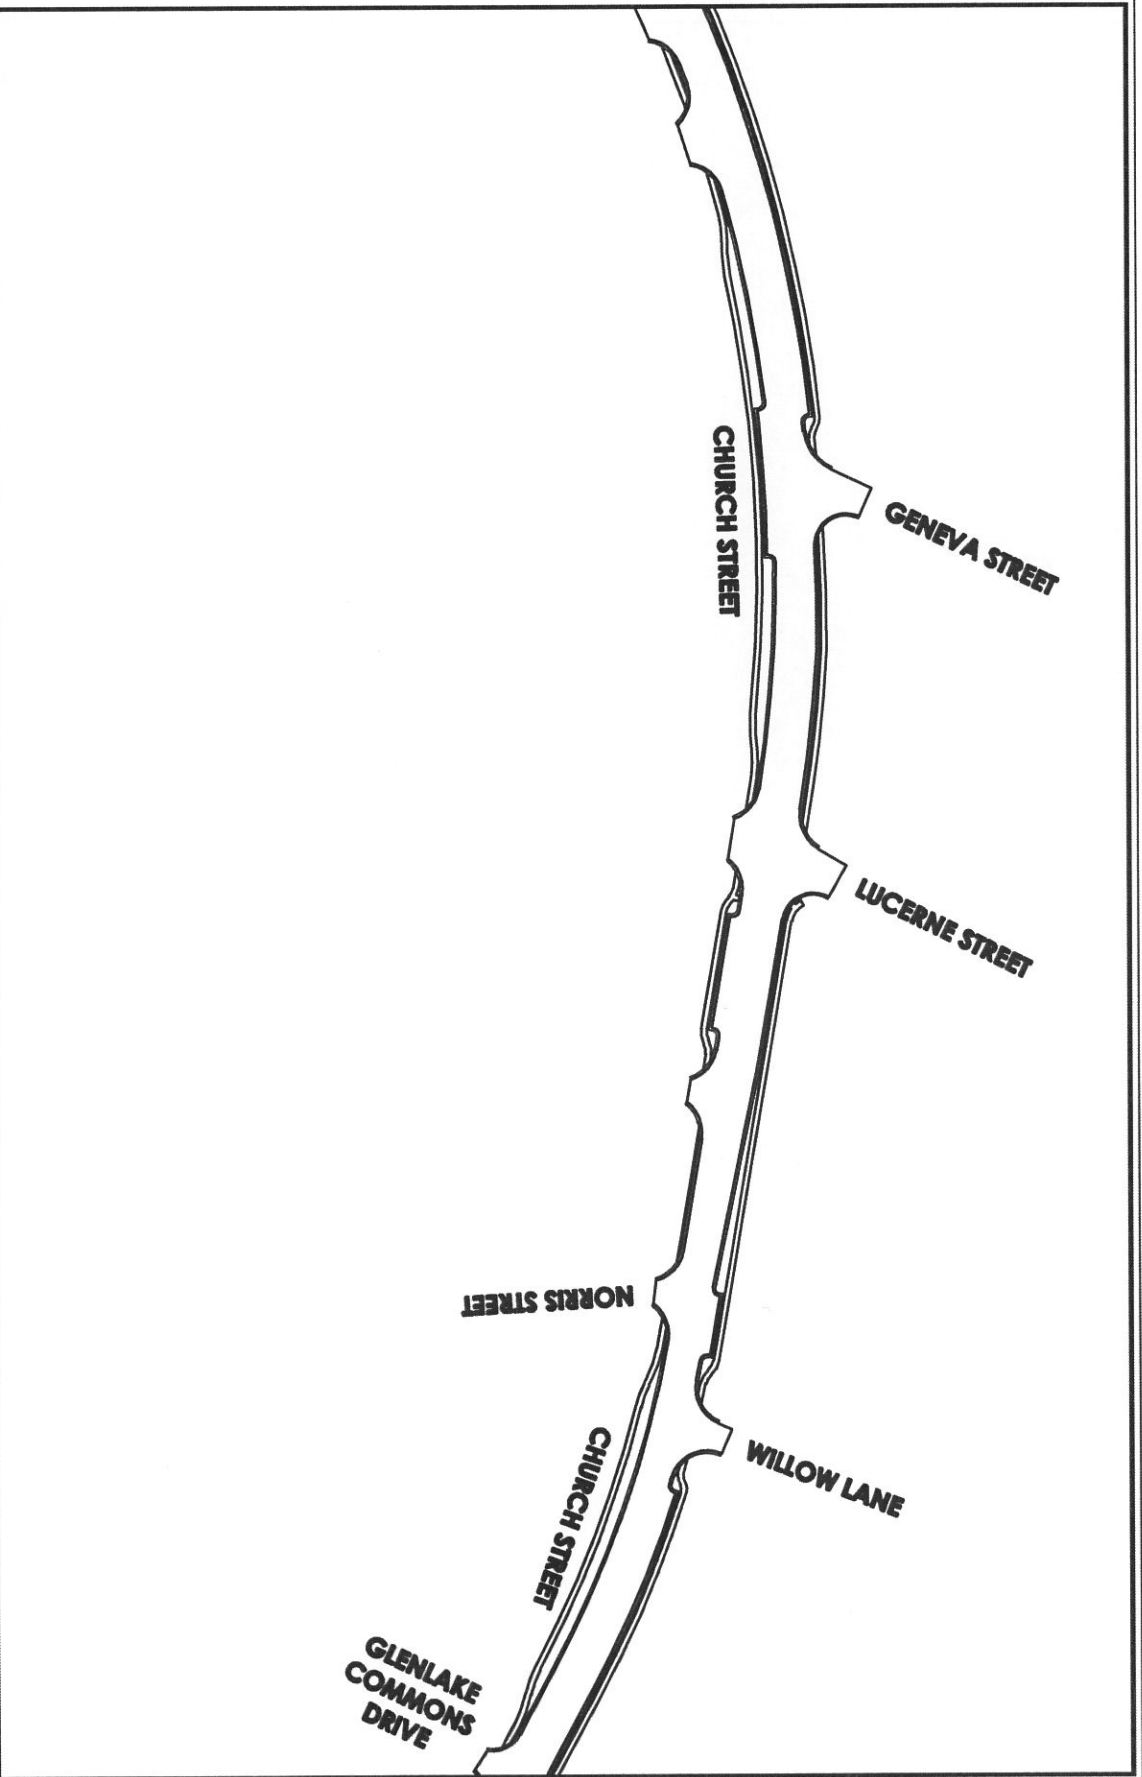

6 Which of the proposed alternatives along Church Street do you like best? Least? And Why?

Please use the map on the back of this page to suggest alternative improvements.
