Decatur High School Skate Club: Leading the Charge for a Revamped Skate Park!

The Decatur High School Skate Club has been instrumental in advocating for a skate park that caters to its needs while promoting inclusivity and creativity. The club, made up of 15 passionate students (and growing), firmly believes in skateboarding's transformative power, and is seeking to introduce younger kids to the sport and increase diversity in the skateboarding community.

This dedicated group of skaters actively participated in discussions, advocating for concrete structures over prefabricated ones, and ensuring the park's design meets all skaters' needs. The redesigned park is a collaborative effort between residents and skaters, reflecting their valuable input.

Originally built in December 2003 in partnership with Home Depot, KABOOM, and the City of Decatur using Woodward equipment, McKoy Skate Park has been a vibrant part of the Decatur community. However, with Woodward out of business, obtaining replacement equipment and parts became a challenge. The need for a complete renovation became apparent, and the club's advocacy has been essential in making this vision a reality.

As the plans for the redesign take shape, the Decatur High School Skate Club's impact on the outcome cannot be understated. Their passion and dedication have played a pivotal role in creating a space to be cherished by skaters for years to come.

October is Biketober and Walktober!

Join us for a series of exciting biking and walking events that celebrate the great outdoors and community exploration.

Biketober Highlights

Meet at Guild+Journeyman
115 Clairemont. Ave.

- Biweekly Bikes and Brews rides on first and third Fridays at 6:30 p.m.
- Biweekly neighborhood rides on first and third Saturdays at 10 a.m.

Walktober Highlights

- Discover the fascinating stories behind Downtown Decatur's public art on October 1 and 8 at 2 p.m. Co-sponsored by the Decatur Bike and Pedestrian Advisory Committee, these walks will be led by Angie Macon of the Decatur Arts Alliance. Meet at the Community Bandstand for these enjoyable and informative free walking tours.
- Experience educational tours of the historic Decatur Cemetery. Tours are conducted by the Friends of Decatur Cemetery on the Second Sunday of every month, May through October. Tours begin at 2:30 p.m. at the gazebo in the Historic Old Section. The remaining tours for 2023 are scheduled for September 10 and October 8.

Don't miss out on these opportunities to connect with nature, art, and our city's rich history. Let's celebrate Biketober and Walktober together!

Building a Financially Sustainable Future for Parks and Recreation

In the 2023-2024 fiscal year, Decatur Parks and Recreation Department is embarking on a cost recovery strategy that represents a different approach to providing recreation services than in the past. This strategy is based on the idea that to have a sustainable future for parks and recreation, specific cost recovery targets should be set in order to offset the cost of providing programs and services to the community. The Parks and Recreation Department increased many of its fees across most service areas in order to enhance and expand offerings, provide sufficient staffing levels to effectively manage quality programs and safe facilities, and reduce the cost of these services to the General Fund. The fee increases represent an effort to strike a balance between costs to the whole community and costs to individual participants in programs and services. By doing so, the FY23-24 DPRD budget expands center hours, staff support and program offerings at Decatur Recreation Center, Ebster Recreation Center and Oakhurst Recreation Center – creating recreation hubs within a 10-minute walk for more Decatur residents.

SAFE ROUTES

International Walk & Roll to School Day – October 4

As part of the Safe Routes to School initiative, Decatur schools actively participate in the annual International Walk & Roll to School Day. During this event, parents, school staff, and community members join students in walking and biking, aiming to highlight the enjoyable aspects of physical activity. SRTS objectives encompass encouraging more students and adults to choose walking, biking, or bus transportation, fostering improved fitness levels, reduced traffic congestion, and enhanced air quality around schools. Let's also remember to honor our dedicated crossing guards! Join us in celebrating Crossing Guard Appreciation Week from November 6-10. If you're interested in volunteering to walk with a group or becoming a parent champion, please contact greg.white@decaturga.com or call 678-553-6559.

DOG AGILITY FOR FUN TRAINING – LEVEL 1

This 6-week session is for dogs who are active, alert and in need of more exercise in their lives – or anxious and in need of building up self-confidence. The focus is on teaching dogs to go over, through and on obstacles – and how humans guide their dogs through an agility course. Dogs need to be at least 1 year-old, have all health vaccinations, know basic obedience commands, and not be reactive to other dogs. Small or large dogs participate, and work at their own pace to become a team with their owners.

Day: Fridays, 9/22-11/3

Time: 5:45-6:45 p.m.

Fee: \$190/\$215 per session

Instructor: Terri Kruzan

Registration: CommunityPass

DOG AGILITY FOR FUN TRAINING – LEVEL 2

This 4-week session is for dogs who completed Level 1 Agility and builds on skills learned in Level 1. The course introduces more sophisticated handling skills and introduces longer and more complex running courses. Dog will become more competent in weave poles and the teeter totter.

Day: Sundays, 10/8-11/12

Time: 1-2 p.m.

Fee: \$130/\$155 per session

Instructor: Terri Kruzan

Registration: CommunityPass

Decatur Working to Be Named A Child-Friendly City

Decatur is taking significant strides to become a Child Friendly City through a groundbreaking initiative. In partnership with the Decatur Education Foundation, Decatur Housing Authority, and City Schools of Decatur, Decatur Parks & Recreation is working towards earning recognition for the City of Decatur from UNICEF as a city committed to improving the lives of its young citizens by upholding their rights as outlined in the UN Convention on the Rights of the Child.

A child-friendly city is a community that prioritizes the well-being and development of its children and youth by ensuring their rights are protected and promoted. Decatur aims to achieve this designation through the Child Friendly Cities Initiative (CFCI) as one of the first six cities in the U.S. to sign a memorandum of understanding with UNICEF to embark on this transformative journey.

The CFCI project involves a multi-year commitment to actively involve community members, especially children and youth, in identifying priorities and taking action in five key areas: Safety and Inclusion, Children's Participation, Equitable Social Services, Safe Living Environments, and Play and Leisure.

In its first year, the CFCI Teen Leadership Team, comprised of 28 high school students, explored these goal areas and identified five priorities that they believe will make a significant impact on the lives of young residents in Decatur. These priority areas include enhancing trust with law enforcement, promoting an equitable and inclusive city, improving access to and awareness of mental health services, fostering an environmentally conscious community, and enhancing public spaces for all.

The efforts and dedication of the Teen Leadership Team have already yielded remarkable results. On June 5, 2023, the City of Decatur's City Commission formally adopted the CFCI Local Action Plan for Youth, a testament to the city's commitment to its younger generation. The full plan can be found at decaturga.com/parksrec/page/child-friendly-cities-initiative-cfci.

Decatur's exceptional commitment to youth empowerment and community engagement was further recognized when the city was chosen as an All-America City by the National Civic League. This prestigious national award highlighted the City's community engagement efforts – especially as relates to authentic youth engagement. Highlighted projects included CFCI, the Decatur Youth Council, and the new inclusive playground at Legacy Park.

Decatur is proudly leading the way towards a brighter and more child-friendly future, proving that a united community's efforts can bring about positive change and make a lasting impact on the lives of its youngest members.

Please visit www.childfriendlycities.org for more information on this exciting national pilot. To get connected with the City of Decatur's CFCI effort, please contact Claire Miller at claire.miller@decaturga.com or 404-378-1082.

Give to the Mary Miller Decatur Youth Fund

To support children and families in need of afterschool, camp and athletics services who may not have the means to afford the full cost of programs, please consider a contribution to the Mary Miller Decatur Youth Fund.

The Mary Miller Decatur Youth Fund makes it possible for children in the City of Decatur whose families cannot afford to pay for athletics, swim team, afterschool, and camp programs to participate in these enriching opportunities. The Decatur Education Foundation graciously manages this fund, which allows Decatur children in need to participate in Decatur Parks & Recreation activities throughout the year.

To make a financial contribution to the Decatur Youth Fund, mail a check made out to the Decatur Education Foundation (please write "Decatur Youth Fund" in notes) to 500 S. Columbia Drive, Decatur, GA 30030. Contributions are tax deductible. For more information, contact Claire Miller at 404-378-1082 or claire.miller@decaturga.com.
