

June 20, 2023

Dear Parent or Guardian,

Thank you for registering your child for City of Decatur's Afterschool Programs for the 2023-24 school year. There are a few updates that you need to know. The Children and Youth Services Division and the Active Living Department have merged into the new Decatur Parks and Recreation Department. The division that now serves both our afterschool, all day camp and summer camp programs is now called Out-of-School Time. The team members haven't changed and will be ready to welcome you and your child at the beginning of the school year.

Please review this letter for important information relating to: Part-Time Registration, Fees, Payments, Billing, Parent Orientation, Financial Assistance and Forms.

HIGHLIGHTS

- Session fees have increased to \$395* per session (20 school days) for 2023-24
- Wednesdays cost \$100/session* vs. \$90/session* for other days of the week due to early release days
- Fees are due the 15th of each month starting July 15, late fee \$15 after the 15th
- Mid-session changes - \$25 per change per child after the fee due date
- Parent Afterschool Orientations coincide with school orientations – expect a July email reminder.

*Denotes Resident rate; non-resident rate information on Fee Schedule at end of document

Fee Increase - \$395 per session

In order to account for increased costs for employee payroll generated by the increase in hourly wages for afterschool staff members, a 45% increase in snack costs, and the addition of nine early release days throughout the school year, full session (5 days/wk for 20 school days) fees will be \$395 per session for residents and \$420 per session for non-residents. This is a \$40 per session increase over the 2022-23 school year session fee.

Part-Time Registration -- Please Declare by JULY 15

Request all Part-time registration in writing (email registration@decaturga.com) by **Friday July 15, 2023** in order to avoid a change fee of \$25 per child. You do not need to email us if you indicated your desired days on your Information and Release form. If no days were marked on your 2023-24 Afterschool and All Day Camp Information and Release form, your child will be enrolled five days per week. **Last school year's (2022-23) days do not carry over** unless you communicate in writing that you want to continue the same days in the coming school year. In order to enroll specific days of the week, please email OST and specify your child's name, name of the program and which days of the week your child will attend. Days of attendance remain the same throughout the session. Changes to part-time days are subject to availability and should be requested by the 15th of the month prior to the next session. Changes to part-time registration for a *current* session will cost \$25 per child, per change and are subject to availability and administrative approval. After July 15, changes may be made for Session 2 by August 15. Part-time fees are as follows: \$90/1 day; \$180/2 days; \$270/3 days; \$360/4 days. Non-resident part-time fees are \$10 more per day of enrollment (100/200/300/400). Due to the early release schedule for 2023-24 falling on Wednesdays, the Wednesday part-time rate will be an additional \$10 per day or \$100 residents and \$110 non-residents.

Please log in to [CommunityPass](#) to confirm that we have an accurate email address associated with your family account. To make adjustments please make changes in CommunityPass under My Account > Update Account Information. Please make a note in your calendar to remind you fees are due on the 15th of each month. A late fee will be assessed to any account with unpaid fees after the 15th. Non-payment will result in dismissal from the program.

Parent Orientation

Parent Orientation will be held in conjunction with school parent orientations and open houses. Please look for an email this summer with specifics for your child's afterschool program parent orientation. Orientation includes an opportunity to meet your child's afterschool Site Coordinator and an overview of policies, procedures, and program information. If you cannot attend, please download the Afterschool Parent Handbook for 2023-24 (available July 2023) from www.decaturga.com/OST > Forms & Documents.

Financial Assistance

Financial Assistance (FA) is available on a sliding scale for Decatur residents demonstrating a need. To apply for assistance, you need to complete a [2023 Financial Assistance Application](#). Documentation of residency and proof of income needs to be submitted once annually. If you submitted a 2022-23 Financial Assistance Application for summer camp 2023 and received approval for financial assistance, you do not need to submit documentation again. If you last submitted in 2022, you will need to complete a new FA application for the 2023-24 school year. The application includes a list of documents we can accept to identify your rate on a sliding scale and is available at www.decaturga.com/OST.

Forms

Decatur Parks and Recreation Department must have a completed 2023-24 Afterschool Information and Release Form and 2023 Afterschool Health History Form for each child in order for children to attend the program the first day of school. Forms are located in CommunityPass in the 2023-24 Afterschool Programs season.

Additional forms are available regarding [Asthma](#) and [Food Allergies](#). Please be sure to complete all forms **by July 15**. A kiosk for completing online forms is available at the Decatur Recreation Center front desk if you do not have access to the internet at home.
