Summary of the supporting activity you wish to provide (200 words max)

What capacity do you have to successfully host this supporting activity? (200 words max) (ie. Access to equipment/materials/staffing/practice implementing this activity at other events)

Approximately how much space will you need?

- Activities must be participatory (not just a table with postcards and signup sheet)
- Participatory can mean different things. Be creative. We love to hear your ideas.
- Nonprofits are allowed to participate as long as the activity they bring is relevant to active, healthy living or community engagement.
- Any business with over \$1,000,000 in annual revenue, and is not located on the route, is asked to become a sponsor of Decatur Streets Alive in order to host an activity.
- Decatur Streets Alive does not provide any materials; you are responsible for bringing everything you need for your activities. You may bring a tent, tables, chairs, games or other non-dangerous movable materials.
