INSTRUCTIONS TO ACCESS CITY PROTECT (OLD CRIMEREPORTS.COM)

1. Log onto www.cityprotect.com

2. Using the search tab in the upper right corner, type in Decatur, GA, then click on "zoom to"

3. Using the settings star next to the search tab, click on this and select Set Home Location.

4. On the left side of the screen, click on agency Decatur Police Department.

5. Click on Filters at the top left above the Police Department. This accesses what can be seen.

6. Click on incidents, click on date range, click on select all incidents (you may have to do this twice) then click on SEE RESULTS at the bottom of the list.

7. This should bring up all incidents selected in the time and date range. Click on an incident to see details of the incident.
