

Hit the town on two wheels with a bicycle tour of Decatur

READY TO RIDE?

#### UP FOR THE DAY

You don't want to start riding on an empty stomach so make your way to the eastside for a churro from La Calavera. Or on the westside, drop into **Dancing Goats** Coffee Bar for fancy coffee and a scone. Or make your way through Oakhurst and try Kavarna.

Need something more filling? Sweet Melissa's is Decatur's go-to spot for breakfast seven days a week. For fancy weekend brunch, try Café Alsace, Café Lily, or The Pinewood.

# GET IN GEAR

Before you set out for your ride, top off your tires and make small repairs at the bike repair station in front of the Decatur Recreation Center. There are bike repair stations at Decatur High School, the Decatur Police Station and **Harmony Park** in Oakhurst, too!

#### TAKE A RIDE (OR Pick up a Bicycle Suitability Map at the Decatur Visitors

Center to plan your route. Or check out the routes on Decatur's website: decaturga.com/biking.

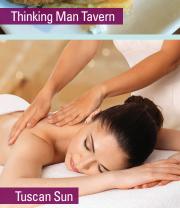

Looking for a longer ride? Follow the PATH to Stone Mountain and take a lap or two around the mountain. Another PATH route takes you to the Atlanta Beltline and Piedmont Park. Visit pathfoundation.org for trails and maps.

Sam's Freight Room Ride takes off every Saturday at 2 p.m. from East Howard Avenue across from Kimball House. Everyone is welcome to join this 11-mile group ride that takes you through Decatur, Oakhurst, and Avondale Estates. Helmets are required. After the ride, socialize!
